Clara

A STORY BASED
ON REAL KITCHENS

En Arcos, hemos querido rendir homenaje a todos los cocineros y cocineras que creáis con cariño cada plato. Porque trabajáis cada día en sacar lo mejor de vosotros como nuestra protagonista. Clara da nombre a la serie que acerca la alta cocina a todo el mundo a través de cuchillos que unen el mango más sencillo con el filo más elaborado. Este es nuestro agradecimiento. Esta historia también es vuestra.

Arcos nacimos para cortar, vivimos para unir.

#cocinaconcarino

At Arcos, we want to pay homage to you, all those cooks and chefs who create each plate with love. Because, every day, you work to get the best out of you, just as our protagonist. Clara gives its name to the series that brings haute cuisine to everybody with knives that combine the most simple handle with the most sophisticated blade. This is our way to say thank you. This story is also yours.

Arcos we were born to cut, we live to unite.

#CookingWithLove

Chez Arcos, nous avons tenu à rendre hommage à tous les cuisiniers et à toutes les cuisinières qui mettent beaucoup d'amour dans la création de chacun de leurs plats. Comme notre personnage, jour après jour, vous faites tout pour donner le meilleur de vous-mêmes. Clara donne ainsi son nom à une collection qui rend accessible à tous la grande cuisine, grâce à des couteaux qui offrent le meilleur tranchant au prix de couteaux plus simples. Voici notre remerciement. Cette histoire est également la votre.

Arcos nous sommes nés pour couper, nous vivons pour réunir.

#cuisinezavecamour

Ad Arcos abbiamo voluto rendere omaggio a tutti voi, cuochi e cuoche che create amorevolmente ogni piatto. Perché ogni giorno lavorate dando il meglio di voi stessi, come la nostra protagonista. Clara presta il suo nome alla serie che rende accessibile a tutti l'alta cucina, grazie a dei coltelli che uniscono il manico più semplice a un filo più elaborato. Questo è il nostro ringraziamento. Questa storia è anche vostra.

Ad Arcos siamo nati per tagliare, viviamo per unire.
